The first meeting of the semester was organized by James Keesling, Chair of the CLAS Assembly, who charged the committee and oversaw the election of its chair.

Members in attendance: Rori Bloom, Susan Gillespie, Aida Hozic, Kevin Ingersent, Eric Potsdam, Whitney Sanford (see complete membership list on following page)

1. The committee nominated and elected by a show of hands Kevin Ingersent to be committee Chair for the current academic year. (Keesling then left the meeting.)

2. The committee agreed that we should decide upon a regular day and time for monthly meetings starting in January 2013.

3. Discussion ensued of possible projects for the committee to undertake in the spring 2013 semester. These include: assessing the impact of the adoption of Shared Services within the college, assessing the impact of continuing cuts to the college budget, and projecting likely financial impacts on college SCH as a result of changes to the general education requirements. It was decided to create a questionnaire in order to conduct a survey of CLAS departments as part of these assessments. Creation of the survey questionnaire will be a topic for the January 2013 meeting.

4. Meeting adjourned at 3:10 pm.
