Search Committee for Spanish American Literature

A meeting was held from 2:10 until 4:50pm in Dr. Geraldine Nichols’s office, 142 Dauer Hall, on Dec. 10, 2008. Drs. Jimenez, Nichols and Ginway, chair, were present.

TOPIC

We discussed individual candidates that we did not assess during our first meeting, establishing rank order of potential candidates. After further consideration of each candidate’s potential for research and for teaching courses at both the graduate and undergraduate level, we arrived at a list of nine finalists who would be contacted for interviews at the MLA convention Dec. 28 and 29, 2008 in San Francisco.

Beginning the week of Dec. 15, 2008, the list of finalists was given to the administrative assistant in order to set up interview times.

Respectfully submitted,

M. Elizabeth Ginway, Chair of Spanish American Search Committee.
