Please attach a vita, no longer than two pages, that includes college or community activities in which you have been involved and honors or awards you have received. Include publications, grants, manuscripts under review, conference presentations, prizes, etc.

Attach a 500 word essay describing your academic program of study and future career plans. If you are among those who receive an interview, you should expect to provide information on the following during the interview: (1) regardless of your own race or gender, your record or promise to break down barriers, create a welcoming environment, and include individuals who are racial minorities or women (or otherwise reflect broad diversity) in academic, co-curricular, and/or research endeavors; (2) your success in overcoming barriers—or helping others to overcome barriers—to academic achievement (including low socio-economic background); and (3) your record or promise to contribute to the university, local or larger community.
