It was decided that it was optimal for the Chair of the Faculty Council to be a continuing member, and Jean Larson was elected to the position by acclamation. Rick Yost agreed to be the Associate Chair.

The first round of doodle poll did not produce a time-slot for meetings that was possible for all. It was agreed to do a further round of polling in which we would not veto those times which were merely inconvenient.

We briefly discussed proposed changes in the general education requirements, whereby one or more obligatory courses would be taught with no “placing out” allowed. We agree that this will be a future agenda item.

The meeting ended at 5.50 p.m.
